[More](#)

## Latest Launches

*Neurodegenerative Disease Management* promotes a truly multidisciplinary approach to developing new treatments for neurodegenerative diseases.

*Neuropsychiatry* addresses all the latest trends in the field, from R&D through to clinical application and management.

## Coming Soon

*Journal of Comparative Effectiveness Research* provides a rapid-publication platform for debate and for the presentation of new findings in the field. Through rigorous evaluation and comprehensive coverage, the journal provides stakeholders with the key data and opinions to make informed and specific decisions on clinical practice.
